Thank you for your letter of November 8.

Would you kindly arrange to have prepared and submitted in duplicate, a set of by-laws which includes the amendments proposed on June 6, 1966. Each copy must be dated, and the signatures, addresses and occupations of the applicants (at least five) and a witness must appear thereon. Duplicate copies of the application which was returned with our letter of June 2 should accompany the by-laws.

As requested in our letter of June 2, would you also provide consent to the incorporation from Bellevue Community League listed in the current issue of the Edmonton Telephone Directory.

I return herewith one copy of your by-laws and am retaining the other for information purposes.

Yours truly,

Jas. Warr
Registrar of Companies
